

Do you or your family need help planning for college?  
Please plan to attend this virtual meeting to help answer some  
of your questions!

This past year has resulted in some of the most significant changes to the college planning process in decades.

- Admission trends have changed how colleges admit students
- There are substantial changes to the FAFSA and college financial aid
- Schools have gone ACT/SAT optional, but not necessarily when they award scholarships.

Join us to learn how these changes may impact your family, and new strategies to consider to give your student the best opportunity to be admitted and maximize scholarships and financial aid.

If you are the parent of a high school student in grades 9-11, this is incredibly important information that you will not want to miss!
